

Entrance: Hymn No. 149

1. For the fruits of His creation,
thanks be to God;
for His gifts to every nation,
thanks be to God;
for the ploughing, sowing, reaping,
silent growth while we are sleeping,
future needs in earth's safe keeping,
thanks be to God.

2. In the just reward of labour,
God's will is done;
in the help we give our neighbour,
God's will is done;
in our world-wide task of caring
for the hungry and despairing
in the harvests men are sharing,
God's will is done.

3. For the harvests of His Spirit,
thanks be to God;
for the good all men inherit,
thanks be to God;
for the wonders that astound us,
for the truths that still confound us,
most of all, that love has found us,
thanks be to God.

Recessional: Hymn No. 416

1.O Lord, all the world belongs to You
and You are always making all things new.
What is wrong, You forgive,
and the new life You give
is what's turning the world upside down.

2.The world's only loving to its friends,
but You have brought us love that never ends,
loving enemies too;
and this loving with You
is what's turning the world upside down.

3. The world lives divided and apart,
You draw us all together, and we start
in your body to see
that in fellowship, we
can be turning the world upside down.

4. O Lord, all the world belongs to You
and You are always making all things new.
Send your Spirit on all,
in your church whom you call
to be turning the world upside down.
